Special Revenue Receipts	- Collections made by central government agencies at collection posts for services rendered by the agencies as well as fees, licenses, permits, fines and others.
SURI	- Sistema Unificada de Rentas Internas is the new digital tool of the Department of the Treasury that will allow integration and streamlining of the administration of taxes and revenues and eliminate the complexity of the current systems for the benefit of the Treasury and the taxpayers.
Sweep Account Transfers	- Transfers of Fiscal Year 2020 collections in the SURI sweep account to the TSA during Fiscal Year 2021. The closing balance of the sweep account on June 30, 2020, was \$1,024 million.
TSA	- Treasury Single Account, the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed. TSA receipts include tax collections, charges for services, intergovernmental collections, the proceeds of short and long-term debt issuances and amounts held in custody by the Secretary of the Treasury for the benefit of the Commonwealth's fiduciary funds. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.

Introduction

- Enclosed is the weekly Treasury Single Account ("TSA") cash flow report and supporting schedules with weekly YTD FY2021 actual results compared to the FY2021 Liquidity Plan and FY2020 actual results.
- TSA is the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed.
- Receipts in the TSA include tax collections (including revenues assigned to certain public corporations and pledged for the payment of their debt service), charges for services, intergovernmental collections (such as reimbursements from Federal assistance grants), the proceeds of short and long-term debt issuances held in custody by the Secretary of Treasury for the benefit of the Government fiduciary funds, and other receipts. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.
- Disbursements from the TSA include payroll and related costs, vendor and operational disbursements (including those reimbursed by Federal assistance grants and funded from Special Revenue Funds), welfare expenditures, capital outlays, debt service payments, required budgetary formulas and appropriation payments, pass-through payments of pledged revenues to certain public corporations, tax refunds, payments of current pension benefits and other disbursements.
- Federal funds related to disaster relief for hurricanes Irma and Maria are deposited in a separate bank account overseen by the Government Authorized Representative ("GAR"). Funds may be transferred to the TSA either: (i) after admissible disbursements (per approved Project Worksheets) have been made or (ii) once supporting documentation for an accrual or related expense are provided to and approved by FEMA. Therefore, FEMA funding may also be received in advance of actual cash disbursement, as payments to vendors may occur subsequent to when the corresponding services are rendered / expenses are recorded.
- Data limitations and commentary:
The government has focused on cash transaction information for which access to reliable, timely, and detailed data is readily available. The government continues to work with DTPR and other parties to access additional reliable data that would help to provide additional detail in the future.

Bank Cash Position	Weekly Cash Flow	YTD Net Cash Flow	YTD Net Cash Flow Variance
\$9,522	\$306	\$1,821	\$1,700

Bridge from FY21 Liquidity Plan projected TSA Cash Balance to actual FY21 TSA Cash Balance as of September 25, 2020

Cash Flow line item	Variance Bridge (\$M)	Comments
Liquidity Plan Projected Cash Balance 9/25/20:	\$ 7,822	1. TSA receipts of state collections are approximately \$1,497M ahead of plan. The \$1,024M balance that remained in the SURI sweep account at the close FY20 was transferred to the TSA during the week ended September 18, 2020, sooner than forecast. The Liquidity Plan projected half of the balance would be swept at the end of September, and the remaining half swept on a monthly basis through January 2021. Thus, this temporary variance will unwind over the next four months. Remaining positive variance is due to outperformance of other FY21 GF Revenues.
1 State Collections	1,497	
2 GF Appropriations	175	
3 PayGo Receipts	57	
4 Other State-Funded Disbursements	(40)	
All Other	12	2. Throughout July and August, complications with the revenue recognition process at DTPR has slowed the recording of certain revenues and subsequently certain state-funded budgetary transfers from the TSA that are funded by these revenues. This variance is expected to reverse in subsequent months.
Actual TSA Cash Balance	\$ 9,522	
		3. YTD PayGo Receipts are higher than forecast due to payments received in FY21 from certain Component Units for FY20 invoices. Such receipts from the State Insurance Fund, PBA, and ACAA, totaling \$15.7M, \$3.8M, and \$3.2M, respectively, are the largest drivers of this variance.
		4. Other disbursements variance is primarily driven by a reprogramming of \$34M in FY20 budgeted capital expenditures to ASEM for capital expenditures. The transfer was executed in FY21 on August 10, 2020.

The SURI Sweep account is now functioning properly and accumulated collections are consistently transferred to the TSA with a 2-4 day lag. This will result in a lower and more stable balance in the account going forward. As of the date of this report, the SURI sweep account balance is approximately \$30M, as substantially all collections accumulated in the SURI sweep account throughout FY20 and the early months of FY21 were transferred to the TSA during the weeks ended 9/18/20 and 9/25/20. The sweep account balance will no longer be reported alongside the TSA balance nor included in the TSA balance, consistent with prior practice.

YTD TSA Cash Flow Summary - Actual vs LP

YTD Actuals vs. Liquidity Plan

YTD net cash flow is \$1,821M and cash flow variance to the Liquidity Plan is \$1,700M. Higher than expected cash flow is mainly driven by the transfer of the \$1,024M balance that remained in the SURI sweep account at the close FY20 into the TSA during the week ended September 18, 2020 which was sooner than the Liquidity Plan projected.

Puerto Rico Department of Treasury | AAFAF

YTD Cash Flow Summary - TSA Cash Flow Actual Results

Net Cash Flow - YTD Actuals

- 1.) The primary cash driver of FY21 is the transfer to the TSA of \$1,024M in FY20 collections that were in the SURI sweep account at the close of the fiscal year. Federal Fund inflows of \$2,085M represent 32% of YTD inflows, but are largely offset by Federal Fund disbursements, with YTD net deficit of \$47M (Refer to page 13 for additional detail). Tertiary positive drivers are strong General Fund collections and spending within budget.

TSA YTD Cash Flow Actuals: Key Cash Flow Concepts (\$M)

Net Cash Flow YTD Variance - LP vs. Actual

- 1.) The positive variance in YTD collections is mainly because the entire \$1,024M SURI sweep account balance at the close of FY20 was transferred in to the TSA sooner than forecast. The Liquidity Plan projected half of the balance would be swept at the end of September, and the remaining half swept on a monthly basis through January 2021. Thus, this temporary variance will unwind over the next four months.

FY20 TSA Cash Flow Actual Results - Footnotes

Footnotes:

- (a) Represents FY2020 actual results through September 27, 2019.
- (b) Represents gross tax collections received and deposited from all Hacienda Collection Posts, through the Hacienda Colecturia Virtual (online) and/or SURI. Additionally, as of the date of this report, the "General Fund Collections" line item includes unreconciled collections due to DTPR transition to collecting various gross tax receipts through the new SURI system. The transition from the Hacienda Colecturia collections system to SURI is ongoing and as such, revenue concept detail for the general tax SURI collections is not available at this time for the portion of collections received by the new general tax SURI account. This resulted in timing-related unreconciled gross collections which will be retroactively allocated to "General Collections" as appropriate once this information becomes available.
- (c) These revenues are collected by DTPR and immediately appropriated.
- (d) Inflows related to the State Insurance Fund, the Department of Labor and Human Resources, the Commissioner of Financial Institutions, interest earned on TSA bank accounts and others. As of the date this report the TSA has received \$3M in interest income in FY21 from earnings on the TSA cash balance.
- (e) As of September 25, 2020, there are \$30M in collections in the SURI sweep account pending reconciliation and transfer to the TSA.
- (f) Represents total gross payroll. Gross payroll includes net payroll disbursed to government employees, cash transfers to the Police Department for payroll costs, and other payroll related costs (employee withholdings, social security, insurance, and other deductions).
- (g) Includes payments to third-party vendors as well as intergovernmental payments to agencies with separate Treasuries.
- (h) Includes Federally Funded Employee Retention Credits.
- (i) These line items include transfers out of the TSA related to the COVID-19 Emergency Measures Support Package. Total TSA outflows related to the COVID-19 Emergency Measures Support Package are approximately \$469M as of September 25, 2020. Of this amount, \$459M was disbursed in FY2020 and \$11M in FY2021.
- (j) Excludes BPPR Clawback Accounts (for clawback revenues prior to June 2016) of \$147M.

General Fund Collections Summary

Key Takeaways / Notes

General Fund Collections Year to Date: Actual vs. Forecast (\$M)

- 1.) The ongoing transition from Hacienda Colecturia to the new SURI platform has temporarily lengthened the process of reconciling and transferring collections held in a sweep account to the TSA. This has resulted in TSA cash receipts of General Fund revenues trailing forecast, while General Fund revenues including those in the sweep account are ahead of forecast. There are currently \$30M in collections in the sweep account pending reconciliation and transfer to the TSA. Due to the on-going transition of various gross tax collections from Hacienda Colecturia to SURI, revenue concept detail for general tax SURI collections from September 1, 2020, through the date of this report is not available at this time. Other General Fund revenue includes receipts that have not been allocated to other concepts and this amount is approximately \$962M as of the date of this report. DTPR is continuing to reconcile revenues pertaining to FY20 that were collected in FY21 as a result of deferrals and extensions, as well as other pass-through and moratorium revenues that were previously non-General Fund. Deferred FY20 revenue amounts are only available through July 31, 2020. The collections schedule will be updated as information becomes available.

Sales and Use Tax Collections Summary

Key Takeaways / Notes

- 1.) The proceeds from the Puerto Rico 10.5% SUT rate are allocated as follows: Of the 10.5%, 5.5% is deposited into a COFINA BNY Mellon account until the PSTBA cap is reached, and 4.5% is deposited into the General Fund. The remaining 0.5% is remitted to FAM. The PSTBA cap for FY21 is \$447.5 million.

Footnotes

- (a) This schedule reflects gross cash activity and is subject to revision based on periodic reconciliations and accounting adjustments.
- (b) As of September 25, 2020 there is \$33M in SUT collected pending verification and allocation. The verification process includes matching receipts with the appropriate returns and reconciling government account information. Once this process is complete, SUT funds are distributed in accordance with the COFINA Plan of Adjustment based on the ownership of funds and otherwise based on the limits on distributions established therein.

Federal Funds Net Cash Flow Summary (a)(b)

Key Takeaways / Notes

- 1.) Receipts for the Nutritional Assistance Program (NAP) and Medicaid (ASES Pass-through) are received in advance of the subsequent pass through disbursements. Federal Funds received for Payroll and Vendor Payments are typically reimbursed following disbursement. Currently, there may be temporary surplus / (deficit) due timing differences relating to prior year carryover. Puerto Rico received \$2.24 billion from the Coronavirus Relief Fund (CRF) established under the CARES Act. These funds are held in a separate account outside of TSA and being disbursed according to the Strategic Disbursement Plan. Some of the measures are initially paid out through TSA, and later reimbursed from the CRF account. On September 11, 2020, \$111 million in CARES Act support to private hospitals was advanced through the TSA. This amount was reimbursed from the CRF account on September 18, 2020.

YTD Federal Funds Net Cash Flows (\$M)

Footnotes

- (a) Please note that federal fund classification as represented here is based on the fund classification at the point of transaction. Agencies regularly review cash transactions and make accounting adjustments that result in fund reclassifications.
- (b) Note that the Liquidity Plan will generally project a YTD deficit and surplus each week for Medicaid and CRF funding, respectively. This is due to deficit and surpluses carried forward from FY20 (FY20 federal receipts in excess of FY20 federal fund outlays and spending prior to CRF reimbursement) that were assumed to unwind throughout the first quarter of FY21 as funds received in FY20 were utilized, thus resulting in projected net cash flow deficits and surpluses for the full year FY21 in Medicaid funding (-\$51M) and CRF (\$42M), yielding a projected -\$9m net deficit projected for FY21. Aside from the aforementioned projected cash flow surplus and deficit, all other federally funded cash flows are assumed to result in zero net cash flow for the full FY20, and week-to-week variations are assumed to be timing related.

Payroll / Vendor Disbursements Summary

Key Takeaways / Notes : Gross Payroll

- Gross payroll is tracking FY21 forecasts to date, with minimal variance through the first month of the fiscal year. Positive variance in DOE is expected to be timing related and may be offset by future months as the adjusted school year begins. All other agency variances are assumed to be temporary at this time.

Gross Payroll (\$M) (a)

Agency	YTD Variance
Department of Education	\$ 40
Police	6
Department of Correction & Rehabilitation	0
Department of Health	(9)
All Other Agencies	(5)
Total YTD Variance	\$ 32

Cumulative YTD Variance - Payroll by Agency (\$M) (a)

Key Takeaways / Notes : Vendor Disbursements

- Negative vendor disbursements variance is mainly driven by several large payments. These include \$111m in CARES Act assistance paid through the TSA during the week ended 9/11, subsequently reimbursed from the CRF account during the week ended 9/18, and a \$73m payment to HTA on behalf of DTOP to fund the Abriendo Caminos capital investment program on September 15, 2020. These negative variances are offset by lower than expected payments on behalf of the Department of Education, the Department of Housing, and the Department of Labor and Human Resources.

Vendor Disbursements (\$M)

Agency	YTD Variance
General Court of Justice	\$ 1
Department of Justice	(3)
Department of Correction & Rehabilitation	(16)
Department of Health	(27)
All Other Agencies	58
Total YTD Variance	\$ 13

Cumulative YTD Variance - Vendor Disbursements by Agency (\$M)

Footnotes

(a) Gross Payroll is equal to the sum of: (i) Net Payroll by Agency from the DTPR RHUM system; (ii) Other Payroll and (iii) Cash outlays for wage garnishments by Agency.

State Funded Budgetary Transfers Summary

Key Takeaways / Notes

- 1.) General Fund appropriations are generally executed throughout the year on a consistent basis in the first week of a given month. The amount transferred each month is usually the sum of the receiving entity's budgeted amount for FY21 divided into twelve, subject to a 2.5% holdback through the first nine months of the fiscal year. Other General Fund transfers and Other Fund transfers require the recognition of certain revenues within DTPR accounting records prior to sending funds to a receiving entity. Throughout July, complications with the revenue recognition process at DTPR has slowed the recording of certain revenues and subsequently certain state-funded budgetary transfers from the TSA. Neither PRIDCO nor ASES have received budgetary transfers thus far in Fiscal Year 2021, driving \$100M of the Other General Fund variance.

Tax Refunds / PayGo and Pensions Summary

Key Takeaways / Notes : Tax Refunds

- 1.) Tax refunds, which include EITC distributions, refunds to individuals and seniors, and other tax credits, are tracking as expected through the first month of the fiscal year.

YTD Tax Refunds Disbursed (\$M)

Key Takeaways / Notes : PayGo Receipts and Retirement Contributions

- 1.) YTD PayGo Receipts are higher than forecast due to payments received in FY21 from certain Component Units for FY20 invoices. Such receipts from the State Insurance Fund, PBA, and ACAA, totaling \$15.7M, \$3.8M, and \$3.2M, respectively, are the largest drivers of this variance. YTD Retirement Contributions variance is temporary, and is expected to reverse in subsequent weeks.
